1. Holiday Celebration

With the Winter Break quickly approaching, students and staff in Burnaby Schools have been busy with school events and festivities. While winter concerts and holiday schedules may have been altered due to the pandemic, students have continued to celebrate their talents and the gift of music.

The Burnaby School District has long provided rich and varied opportunities, both choral and instrumental, for students. This evening, two virtual performances will be shared, showcasing the talent of students and staff in celebration of the holiday season.

Under the direction of Mark Yang, music teacher at Cameron Elementary School, the grades 2 through 4 classes will bring some holiday spirit. The group of 95 students will be singing “Ding Dong Merrily” and “Silver Bells”.

Capitol Hill Elementary School’s handbell ensemble will share a performance of “On My Own”. The group is comprised of students in grades 5 through 7, and is led by music teacher, Theresa Lui.

This evening, Al Post, Principal of Cameron Elementary School and Casey Armstrong, Head Teacher at Capitol Hill Elementary School, will introduce the virtual performances.
